

# Le Kroasaurus Rex!

**Author:** Shalini Srinivasan

**Illustrator:** Prabha Mallya

**Translator:** Alexandre Marche

Level 4

Raji était assise tranquillement sous un arbre, en train de lire et de manger une pomme, quand soudain, un corbeau s'approche d'elle!

"Bonjour Corbeau!" Dit Raji.

Raji ouvre sa bouche pour croquer la pomme.

Le corbeau s'approche, attrape la pomme, puis s'envole!

Raji se précipite, saute au dessus du mur et commence à courir le long du chemin!

"Rends moi ça! Espèce de corbeau inutile, voleur de pommes!"

Le corbeau vole lentement.

Son corps devient de plus en plus gros et de plus en plus lourd.

Encore pire, ses ailes deviennent de plus en plus petites!

"Je t'attraperai bientot! dit Raji"

Salim était en train de faire du vélo sur la route.

Soudain, le corbeau fatigué tombe du ciel sur Salim et son vélo: BOOM!

Raji se met à courir vers eux.

Salim est étendu sur le sol avec son vélo. Il y a une étrange créature sur sa tête, agitant les ailes frénétiquement. Il est grand et costaud. Pire! Il avait des dents!

Il mort Salim tr`ès fort!

Chomp!

"Aaaah!" crie Salim, "ton corbeau est en train de me manger!"

" Ce n'est pas mon corbeau" dit Raji. "D'ailleurs, ce n'est même pas un corbeau du tout!"

Ils observèrent ce non-corbeau.

" Tu as raison. C'est un dinosaure" crie Salim!

Le corbeau-dinosaure battit des ailes et se mit à courir vers le bazar.

"Il va peut-être morde plus de gens?" demande Raji.

"On devrait l'arrêter" répondit Salim.

Le corbeau-dinosaure écrabouille le bazar, tout en croassant **Kroaaaaa**  
**Kroaaaaa!** Il renverse tout le monde sur son passage.

Seul la professeure Aunty le regarde avec émerveillement:  
"Serait-ce...? Suis je en train de devenir folle? Serait-ce un théropode  
vivant?"

Raji et Salim aident la professeure Aunty à se relever.

"Professeure Aunty, vous avez vu l'oiseau dinosaure?" demandent Raji et Salim.

"Un oiseau-dinosaure? Oui, je l'ai vu. Où diable avez vous donc trouvé cette créature? Dit-elle.

"Ils sont supposés être éteints! Je les ai étudiés toute ma vie et je n'ai jamais vu que des vieux os!"

L'étrange animal s'enfuit du bazar.

Raji, Salim et la professeure Aunty le suivent en se dépêchant.

Raji court très vite et s'élançe pour l'attraper!

"Je t'ai attrapé!" dit Raji en serrant fort le corbeau-dinosaure.

Salim s'asseoit et dit: "Il se transforme en T-Rex!"

"Ils sont de ... aah... la même ... aah famille" leur explique la professeure Aunty. "Les oiseaux et les dinosaures je veux dire. Il évolue juste à l'envers celui là!"

Un lézard s'approcha et le dinosaure se mit à le grignoter.

"Bah! Dégoutant! Cannibale!"  
cria Raji.

"C'est comme si j'avais mangé  
mes cousins!" Dit Salim.

Le corbeau-dinosaure se met en boule et se met à gémir:

**"Kraaaa-kroooooa"**

•

"Je trouve ça triste qu'il ne puisse plus voler" dit Salim

Raji lui caresse le bec gentillement.

Ils se dirigent vers la maison du professeure Aunty. Sur la table il y a un plateau de pommes.

"Miam" Dit Raji!

"Kroaaaa!" dit le dinosaure! Il s'étire jusqu'à la table, dérobe le plateau entier et se met à croquer les pommes et le plat en fer.

Ensuite il rote délicatement, sort toutes ses dents dans un grand et joyeux sourire: Kroaaaaaa!

Raji et Salim 'échangent un regard et hurlent ensemble:  
"Kroasaurus Rex!"

Les oiseaux sont les descendants d'une famille de dinosaures appelés les théropodes. Ils sont souvent appelés les dinosaures vivants.

A part quelques différences, les oiseaux et les dinosaures ont beaucoup en commun!

Construis ton Oiseasaure!
