

Es-tu un insecte ?

Author: Shabnam Minwalla

Illustrator: Adrija Ghosh

Translator: Françoise Junod

Level 2

Beeeeeeeeeeeeeeeeerkkk !!

tu

attentivement.

Pars-tu en courant quand
vois un cafard ?

Cries-tu quand tu vois une
abeille ?

Alors, regarde

Les insectes sont extraordinaires.

Ils aident les scientifiques à créer des machines.

Les **robots sauterelles** sont minuscules.
Mais ils sautent très haut.
Tout comme les vraies sauterelles.

Un jour, ils exploreront et iront
dans des endroits où encore
personne n'est jamais allé.

u secououours !!

Les **robots cafards** courent partout et se faufilent à travers de toutes petites fentes.
Tout comme les vrais cafards.

Un jour, ils pourront aider à retrouver des gens perdus ou pris au piège.

Les **robots abeilles** peuvent voler et se poser sur les plantes.
Tout comme les vraies abeilles.

Un jour, les robots abeilles pourront voyager jusqu'à Mars dans
un vaisseau spatial, collecter des boues et des gaz pour nous les
rapporter.

bzzzz bzzzzz bzzzz
bzzzz bzzzz

Les **microrobots patineurs d'eau** peuvent marcher sur l'eau.
Tout comme les vrais gerris.

Un jour, ils pourraient nettoyer nos lacs et océans.

La prochaine fois que quelque chose nagera ou zonzonnera
autour de toi, fais bien attention. Ce sera peut-être un robot
cafard ou un robot abeille.

On ne sait jamais.

Un robot est un programme informatique ou une petite machine qui peut réaliser des tâches simples et répétitives.

Robot cafard

Robot sauterelle

Microrobots patineurs d'eau

Robots abeilles

Es-tu un insecte ? (French)

Les insectes sont des créatures extraordinaires. Elles peuvent voler, sauter, nager. Les scientifiques créent des machines qui imitent les insectes. Veux-tu en savoir un peu plus ?

This is a Level 2 book for children who recognize familiar words and can read new words with help.

Pratham Books goes digital to weave a whole new chapter in the realm of multilingual children's stories. Knitting together children, authors, illustrators and publishers. Folding in teachers, and translators. To create a rich fabric of openly licensed multilingual stories for the children of India and the world. Our unique online platform, StoryWeaver, is a playground where children, parents, teachers and librarians can get creative. Come, start weaving today, and help us get a book in every child's hand!
