Level 2

Le chien qui couvait des œufs

Author: Chandan Yadav
Illustrator: Shailja Jain Chougule
Translator: Sak Untala

Une maman vanneau avait pondu quatre œufs.

Elle couvait ses œufs

chaque jour

pendant des heures.

Elle quittait son nid

uniquement pour se nourrir.

Les jours passaient
et se ressemblaient.

Maman Vanneau attendait

que ses petits éclosent.

Un jour, affamée, elle recouvrit son nid de feuilles

et se mit en quête de nourriture.

À son retour…

Mais... Qu'est-ce que...?

Un chien était couché sur ses œufs !

La maman vanneau attendit
qu'il s'en aille
pendant des heures.

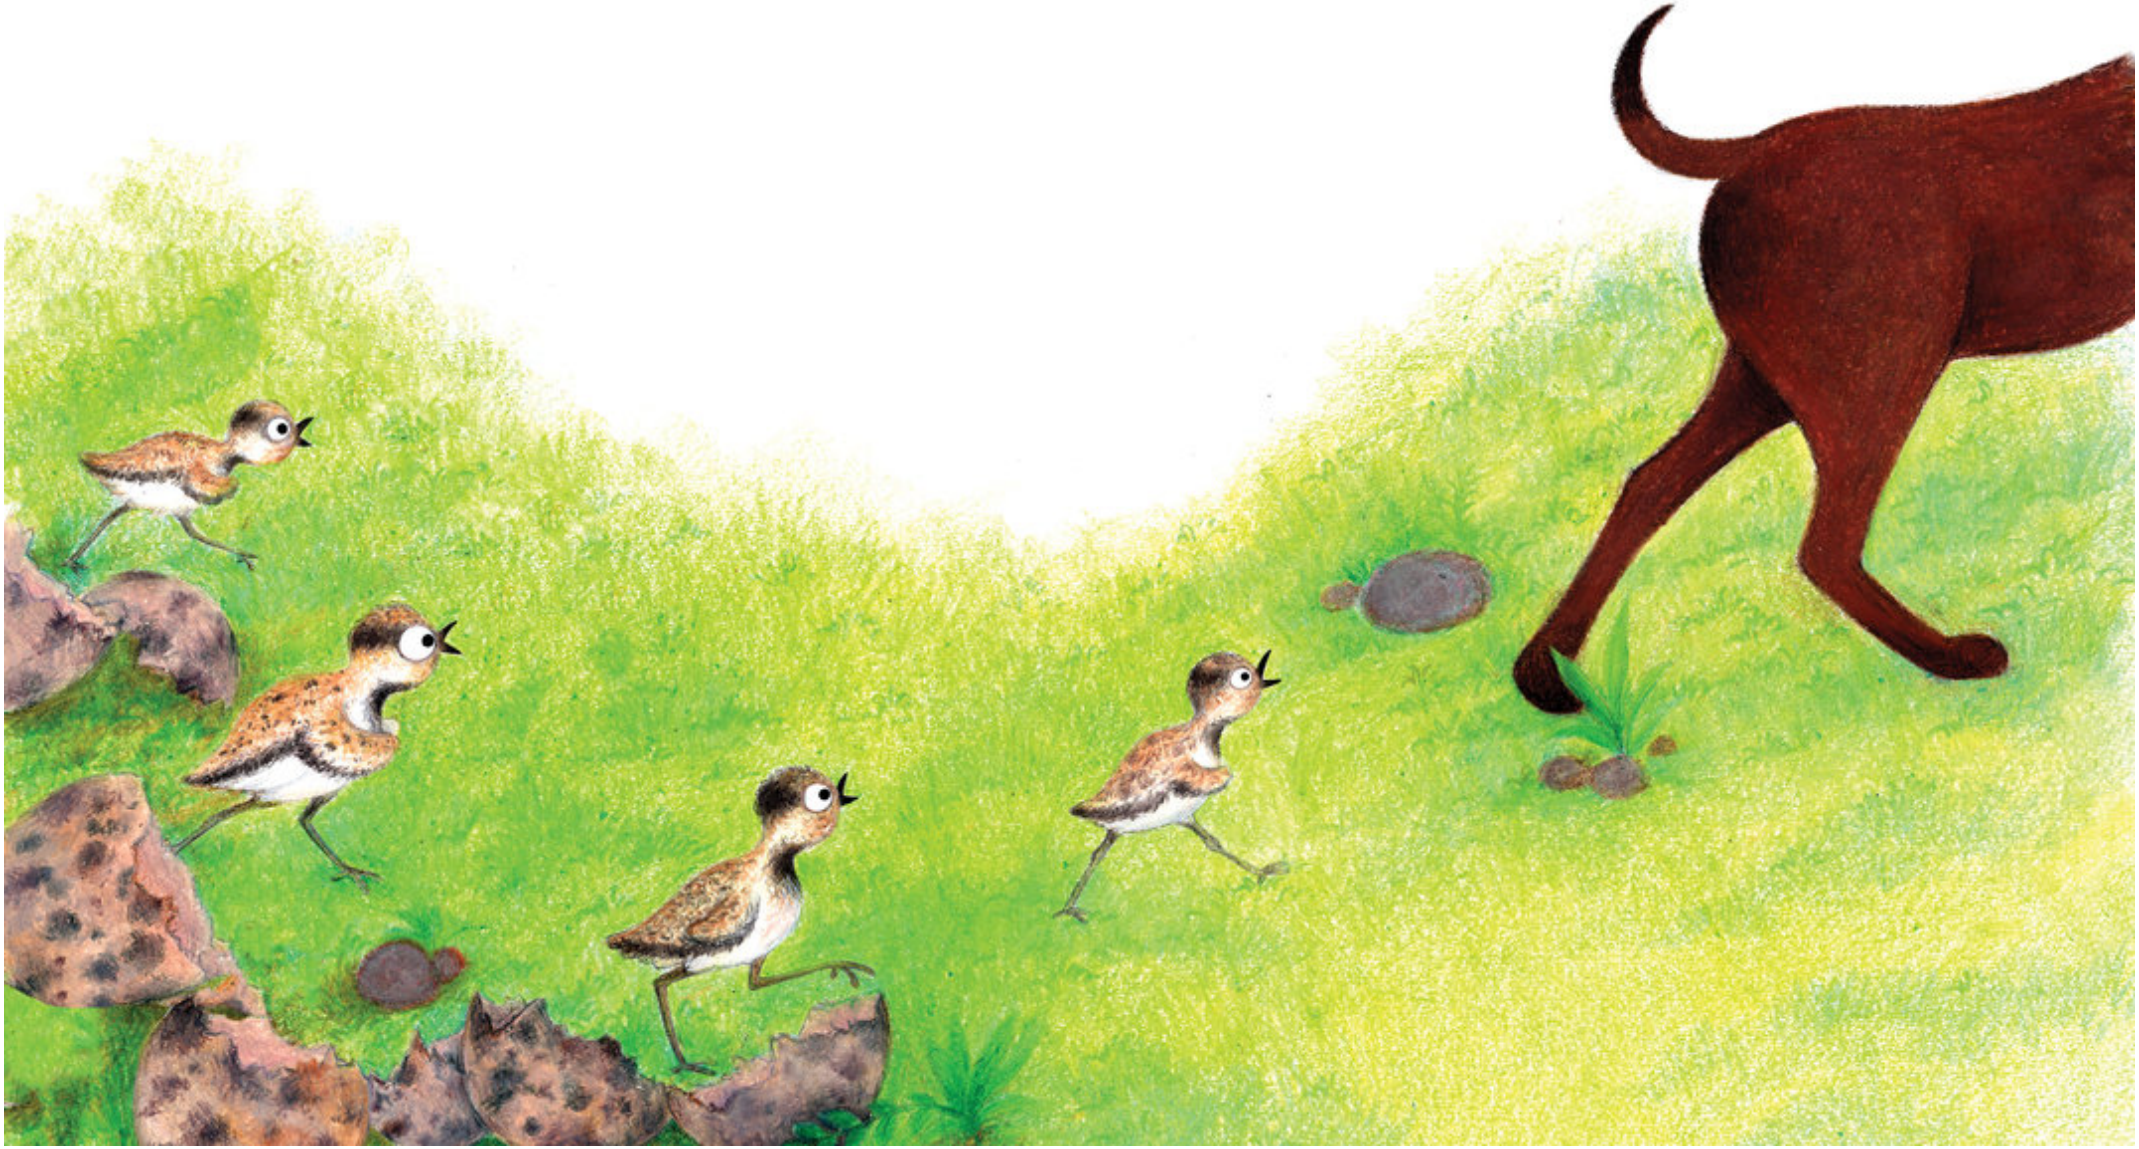
Elle attendit toute la journée.

La nuit finit par tomber.

Mais le chien n'avait pas bougé d'un poil !

Il semblait avoir trouvé l'endroit
idéal pour faire la sieste.

Les quatre bébés vanneau sortirent soudain de leur coquille. Le chien se réveilla et partit.



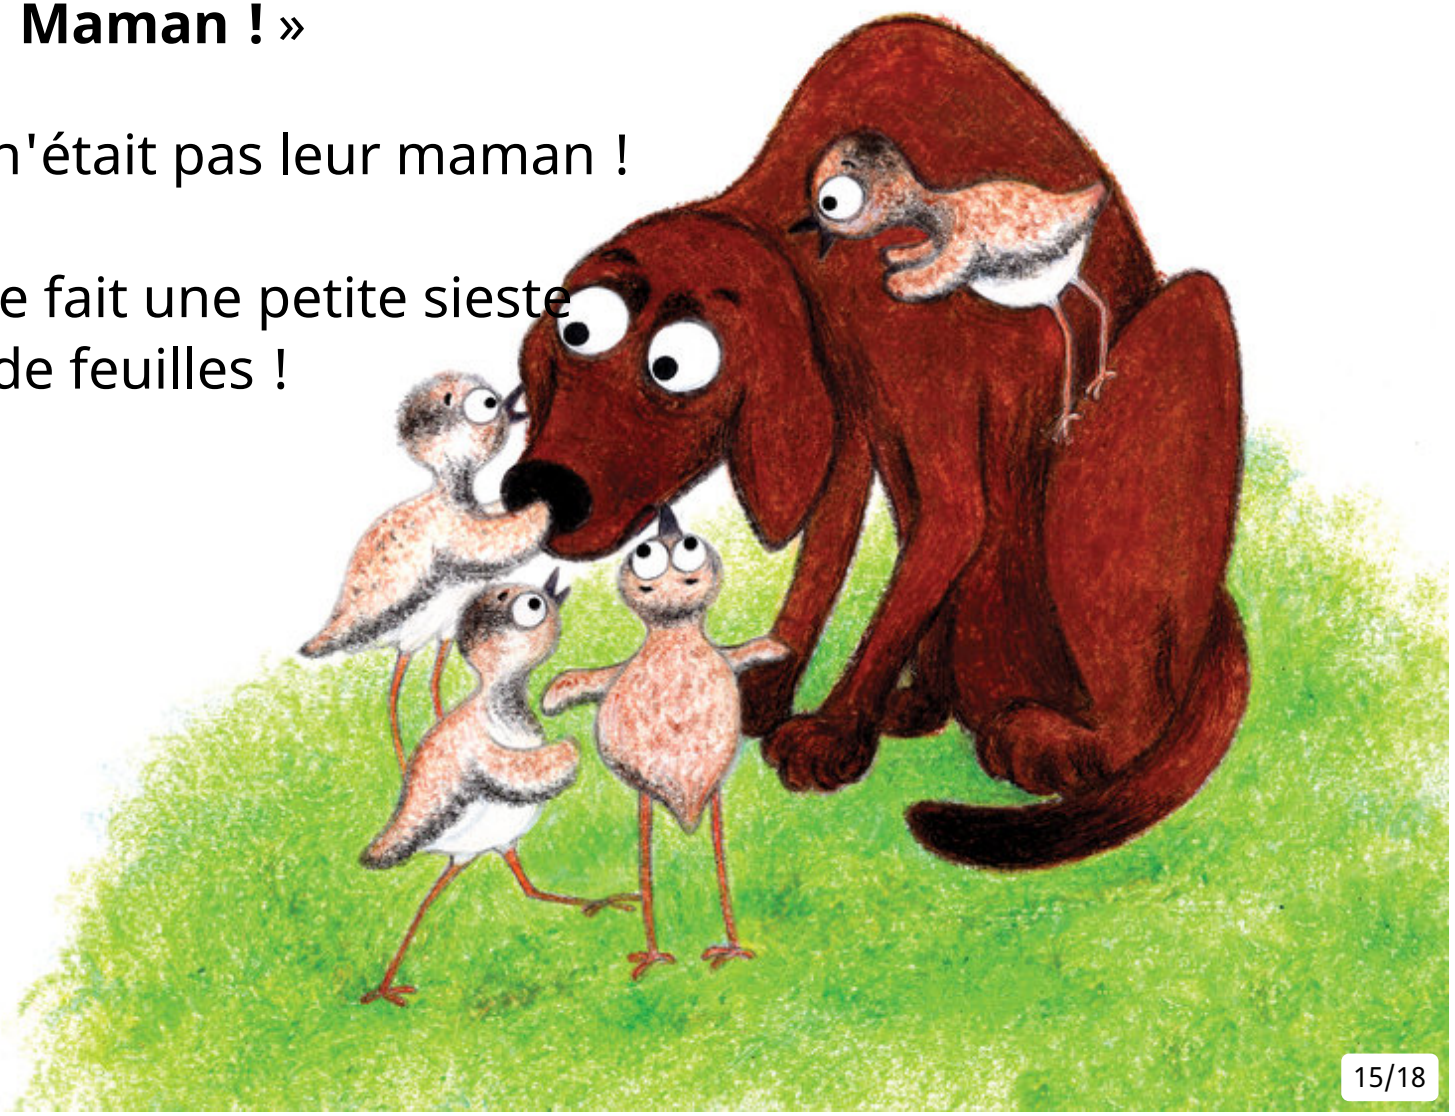
Les bébés vanneau le suivirent alors en l'appelant :
« **Maman ! Maman !** »

« Maman ! Maman ! »

« **Maman ! Maman !** »

Mais… ? Il n'était pas leur maman !

Il avait juste fait une petite sieste
sur un tas de feuilles !



Pas question pour lui de rester dans les parages !

Il s'enfuit aussi vite que possible.

Les bébés vanneau furent bientôt épuisés de lui courir après.

« Les œufs sur lesquels il faisait la sieste étaient à moi. Vous êtes *mes* enfants, pas les siens, » leur expliqua Maman Vanneau.

Les bébés vanneau coururent vers leur maman.

— **Maman ! Maman ! Maman !**

— Mes petits, je vous aime,
leur dit la maman vanneau.
