

Level 2

Tigre, Tigre, Où Es-Tu?

Original Publisher: Pratham Books

Author: Mujahid Khan

Illustrator: Manjari Chakravarti

Translator: Giulia Iuppa

**Tigre, Tigre,
où es-tu?**

J'étais juste ici. N'as-tu pas vu
mes pas mouillés près du lac ?
J'ai fait une sieste dans l'eau
fraîche.

***Tigre, Tigre,
où es-tu?***

J'étais juste ici. Tu n'as pas
vu mes empreintes sur le sol
mou?
Regarde bien, je pourrais
venir ou partir !

***Tigre, Tigre,
où es-tu?***

J'étais juste là. Tu n'as pas vu mes
griffures sur l'arbre ?
J'aiguisais mes griffes.

*Tigre, Tigre,
où es-tu?*

J'étais juste là. Tu n'as pas senti mon
odeur sur le rocher? Le spray aide une
tigresse à me trouver!

**Tigre, Tigre,
où es-tu?**

J'étais juste ici. Tu n'as pas
vu ce que j'ai mangé hier?
Mes poils et mes ongles
devraient te donner un
indice.

***Tigre, Tigre,
où es-tu?***

J'étais juste là. Tu n'as pas entendu
l'avertissement de cette grande
gueule de langurs ?
Ils ont dit à toute la forêt que j'étais
en mouvement !

*Tigre, Tigre,
où es-tu?*

J'étais juste là. Tu n'as pas entendu mon grognement?
Je veux que les autres tigres sachent que cette partie de la forêt est à moi.

*Tigre, Tigre,
où es-tu?*

J'étais juste là.
Tu n'as pas vu
mes faux yeux?
Je t'ai trompé.

Tigre, Tigre, où es-tu?

Me voilà.
Tu m'as trouvé.

Rencontrez Mujahid et les membres de son équipe

Les chercheurs du Centre national des sciences biologiques, de l'Institut Tata de recherche fondamentale, tentent de comprendre les systèmes vivants. Mujahid fait partie du projet sur le tigre de Ranthambore, où Uma Ramakrishnan (Senior Fellow, DBT Wellcome India Alliance, NCBS) et son groupe (Anubhab Khan et Kaushal Patel) tentent de comprendre les impacts génétiques de l'isolement et de la consanguinité sur les espèces menacées. C'est pourquoi il passe beaucoup de temps à suivre les tigres, à travers leurs empreintes, les marques de leurs griffes et leurs excréments!

Tigre, Tigre, Où Es-Tu?

(French)

Un chercheur sur les tigres cherche des poils et des excréments de tigres dans le cadre de son étude. Il trouve de nombreux signes du tigre, mais où est le grand félin? Il y a tellement de façons de voir un tigre sans voir de tigre.

This is a Level 2 book for children who recognize familiar words and can read new words with help.

Pratham Books goes digital to weave a whole new chapter in the realm of multilingual children's stories. Knitting together children, authors, illustrators and publishers. Folding in teachers, and translators. To create a rich fabric of openly licensed multilingual stories for the children of India and the world. Our unique online platform, StoryWeaver, is a playground where children, parents, teachers and librarians can get creative. Come, start weaving today, and help us get a book in every child's hand!
