

Level 3

As-tu déjà grimpé à un arbre ?

Original Publisher: Pratham Books

Author: Priyadarshini Gogoi

Illustrator: Barkha Lohia

Translator: Cyrille Largillier

J'aime les arbres.

J'aime manger leurs fruits et sentir leurs fleurs. Et par-dessus tout, j'aime y grimper.
Je veux grimper sur toutes les sortes d'arbres du monde.

Je veux grimper sur un jacquier.

Il a un tronc épais pour une bonne assise, et des branches solides et robustes pour supporter mon poids.

Mais je devrai faire attention aux fruits qui tombent !

Je veux grimper sur un platane.

En automne, il brille avec ses feuilles rouges et brillantes. Il devient alors la meilleure cachette.
Mais, en hiver, il n'y a plus de feuilles pour se cacher.

Je veux grimper sur un palmier à bétel.
L'escalade serait plus facile s'il y avait des branches sur le tronc.
Mais je vais le prendre comme un défi et sauter, sauter, sauter jusqu'au sommet !

Je veux grimper sur un moringa.
Il a l'air facile à grimper, du moins pour moi.
Mais le tronc est si fin que plus je grimpe, plus il se plie vers le bas.

Je veux grimper sur un palétuvier, avec ses branches grêles et ses racines géantes et exposées.
Mais pour grimper sur un palétuvier, je dois d'abord patauger dans une eau boueuse et pleine de crocodiles.

Je veux grimper sur un khejri.
Il sera difficile de grimper sur ses nombreuses branches fines et épineuses.
Mais je me tortillerai et j'esquiverai pour éviter de me faire piquer.

J'ai hâte de grimper aux arbres dans tout le pays.

Peux-tu nommer les différents arbres sur les illustrations et les placer sur la carte ?
