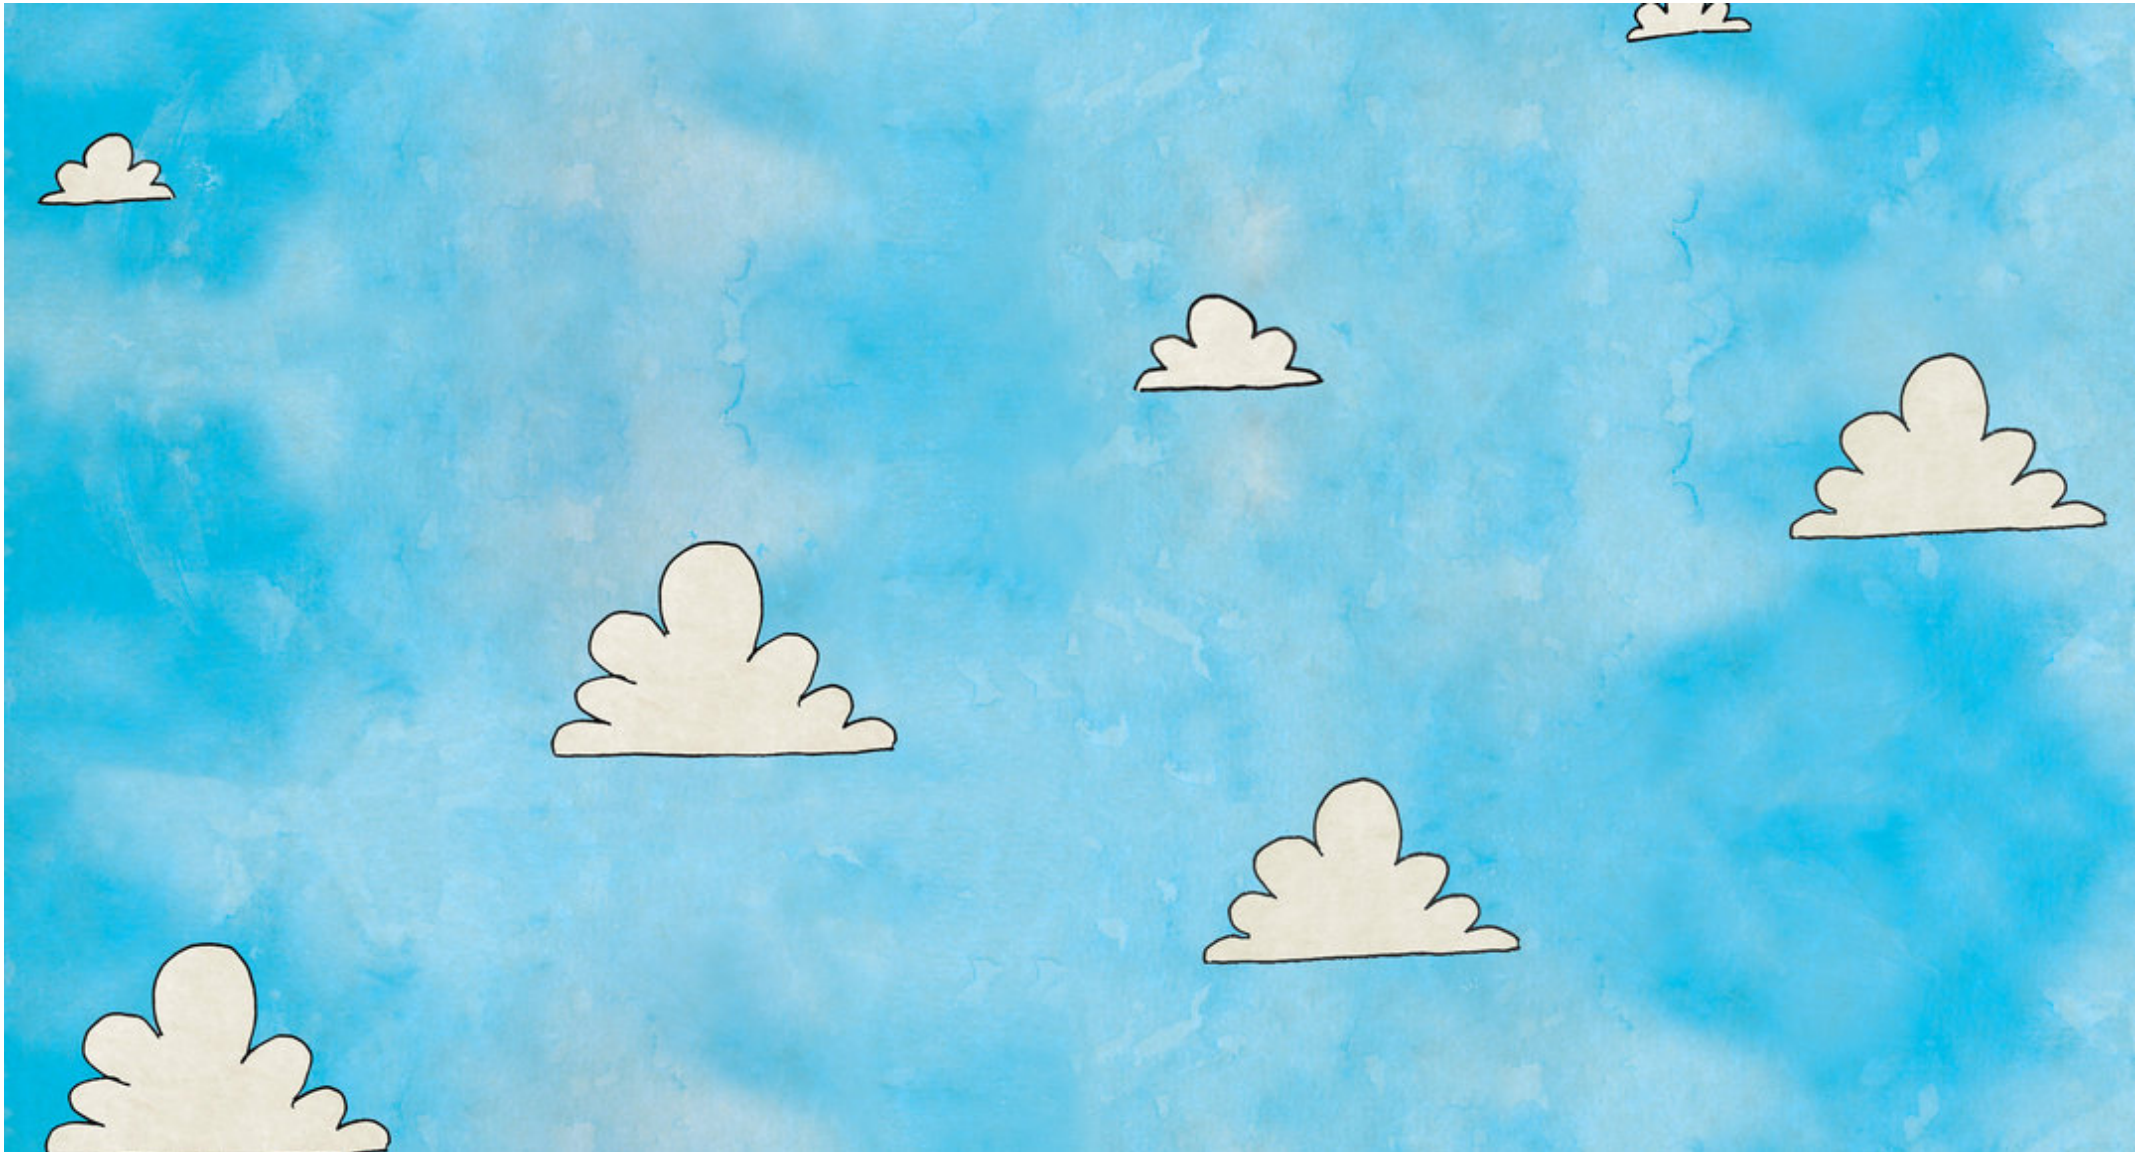
Level 1



Le chat et la souris

Il était une fois, un chat errant calme et tranquille qui, comme tout bon chat qui se respecte, rêvait de croquer une délicieuse petite souris.

Tandis qu'il se reposait, trois jeunes enfants s'approchèrent de lui.

Il fut contraint de prendre la fuite, mais se dit que dans son malheur, il trouverait peut-être quelque chose à se mettre sous la dent.

Pourquoi pas une souris ?
L'une d'elle venait justement de surgir d'une bouche d'égout.

Il décida de se faufiler discrètement vers elle.

Pendant ce temps-là, les trois jeunes enfants observaient un aigle perché en haut d'un arbre.

Quel mauvais coup le rapace était-il donc en train de préparer ?

Le chat avait deviné que quelque chose clochait.

L'aigle avait en effet décidé de faire son repas de la pauvre petite souris.

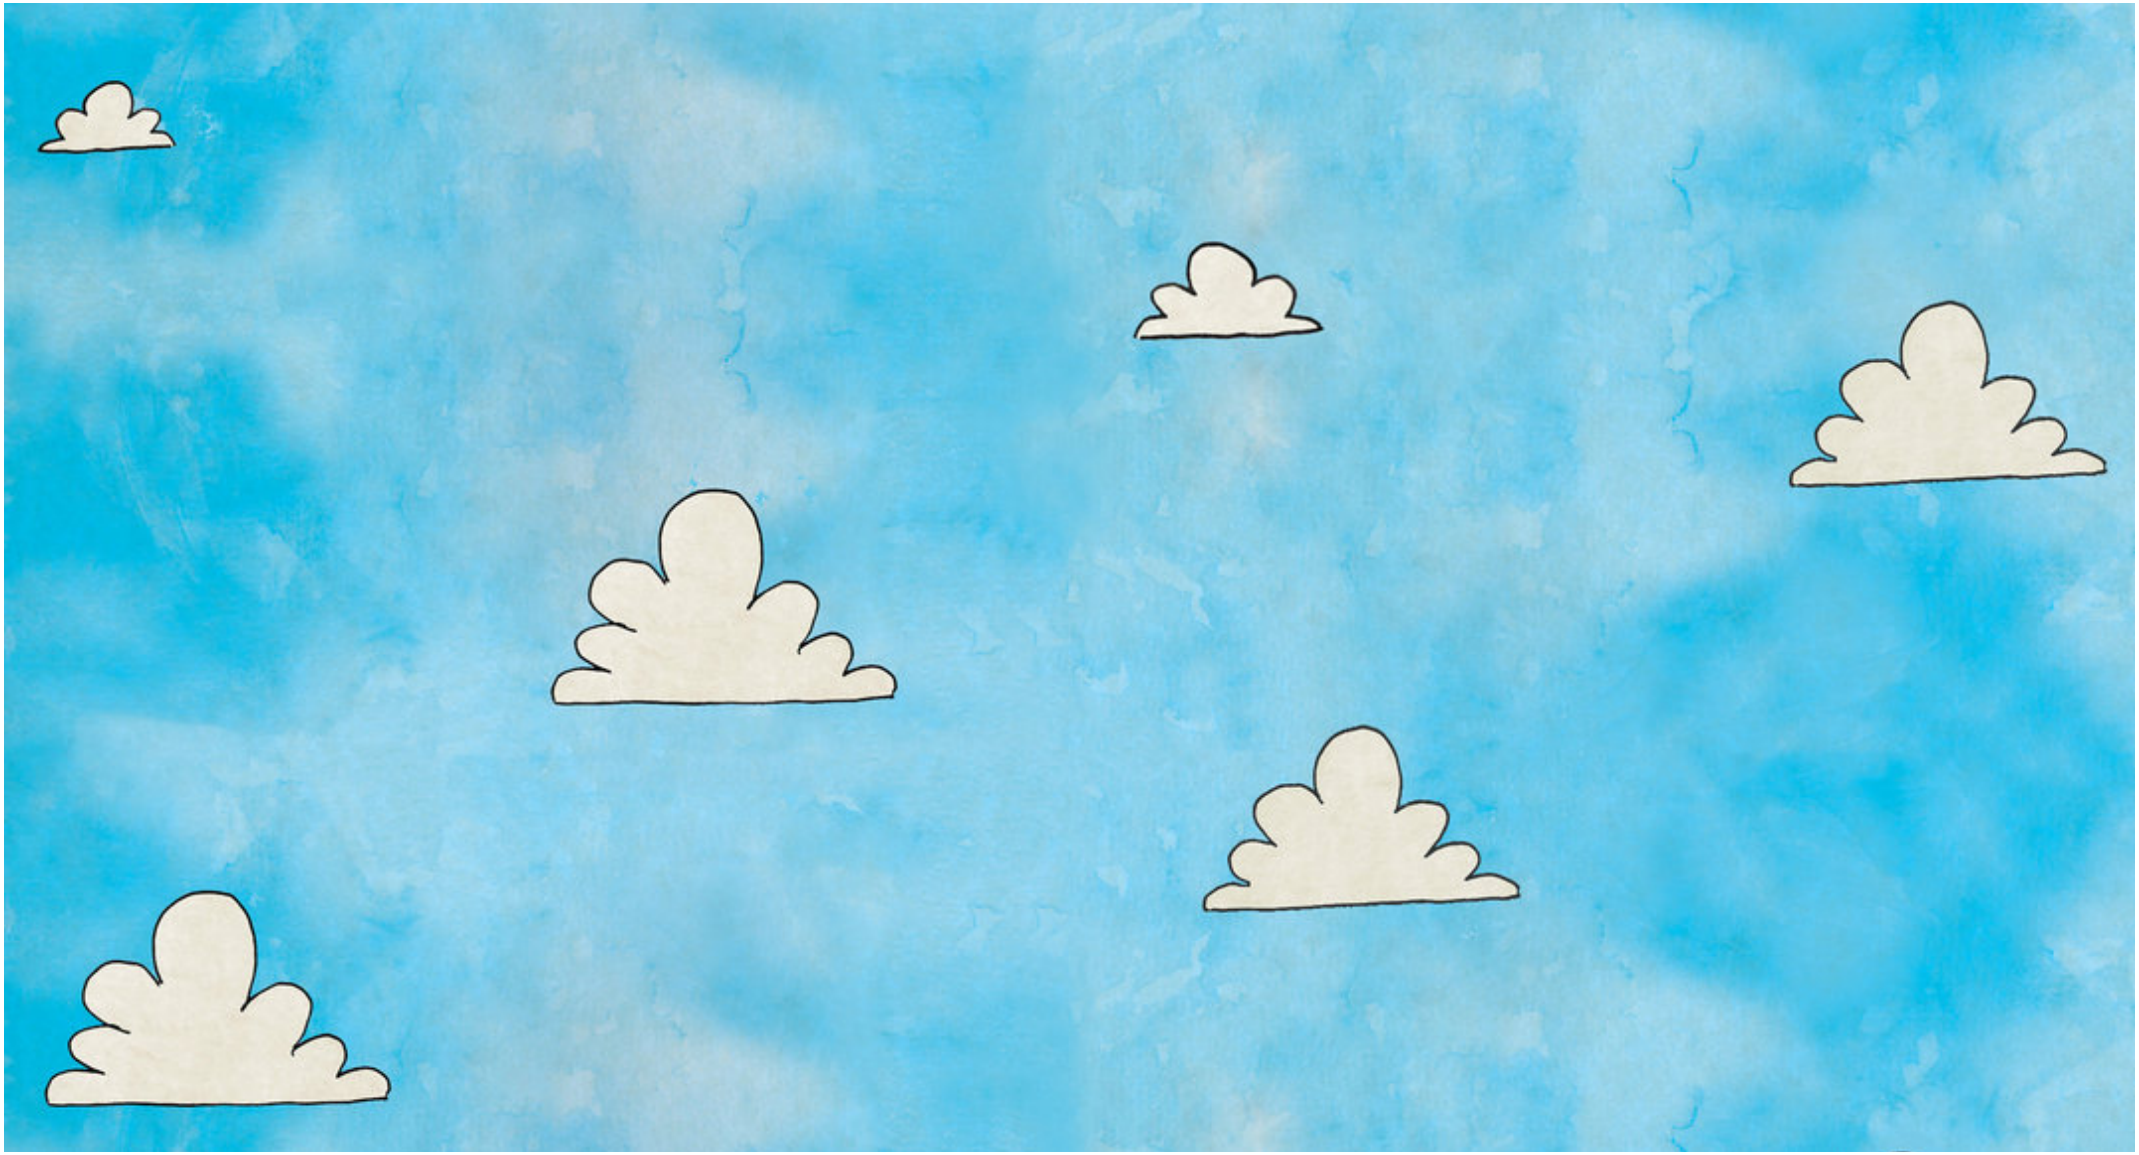
Le chat se dit qu'il n'aimerait pas que quelqu'un le tue ainsi sans raison.

Il décida alors de prendre la défense de la petite souris, tandis que l'aigle fondait sur elle.

Face au chat, l'aigle dû battre en retraite et s'envoler loin dans le ciel.

En comprenant ce que le chat avait fait pour elle, la petite souris se dit qu'ils ne devaient jamais se comporter mal l'un envers l'autre, mais plutôt devenir amis.

Les enfants saluèrent leur amitié nouvelle en leur remplissant une écuelle de lait.



Tout le monde vécut heureux après cela, sans jamais plus mettre en œuvre la chaîne alimentaire.
