Rose et Rocky, écolos en herbe

Author: Annie Besant
Illustrator: Sandhya Prabhat
Translator: Sak Untala

Level 2

Rose rentra de l’école avec une nouvelle idée en tête.

— Papa, je sais comment fabriquer du compost !

— Du quoi ? interrogea le papa de Rose en se grattant le crâne.

— Je peux en faire dans le jardin ? demanda Rose en tirant l'oreille de Rocky.

— Mais c'est quoi ? demanda à nouveau le papa de Rose en se grattant l'oreille.

— C'est ce dont se nourrissent les plantes, Papa, expliqua Rose. Cela leur permet de grandir et d'être résistantes.

— Mèèèèh ! Mêêême moi, je sais ça, bêla Rocky.

Le papa de Rose avait l'air inquiet.

— Ne t'inquiète pas, Papa, nous n'avons besoin que de déchets pour fabriquer du compost.

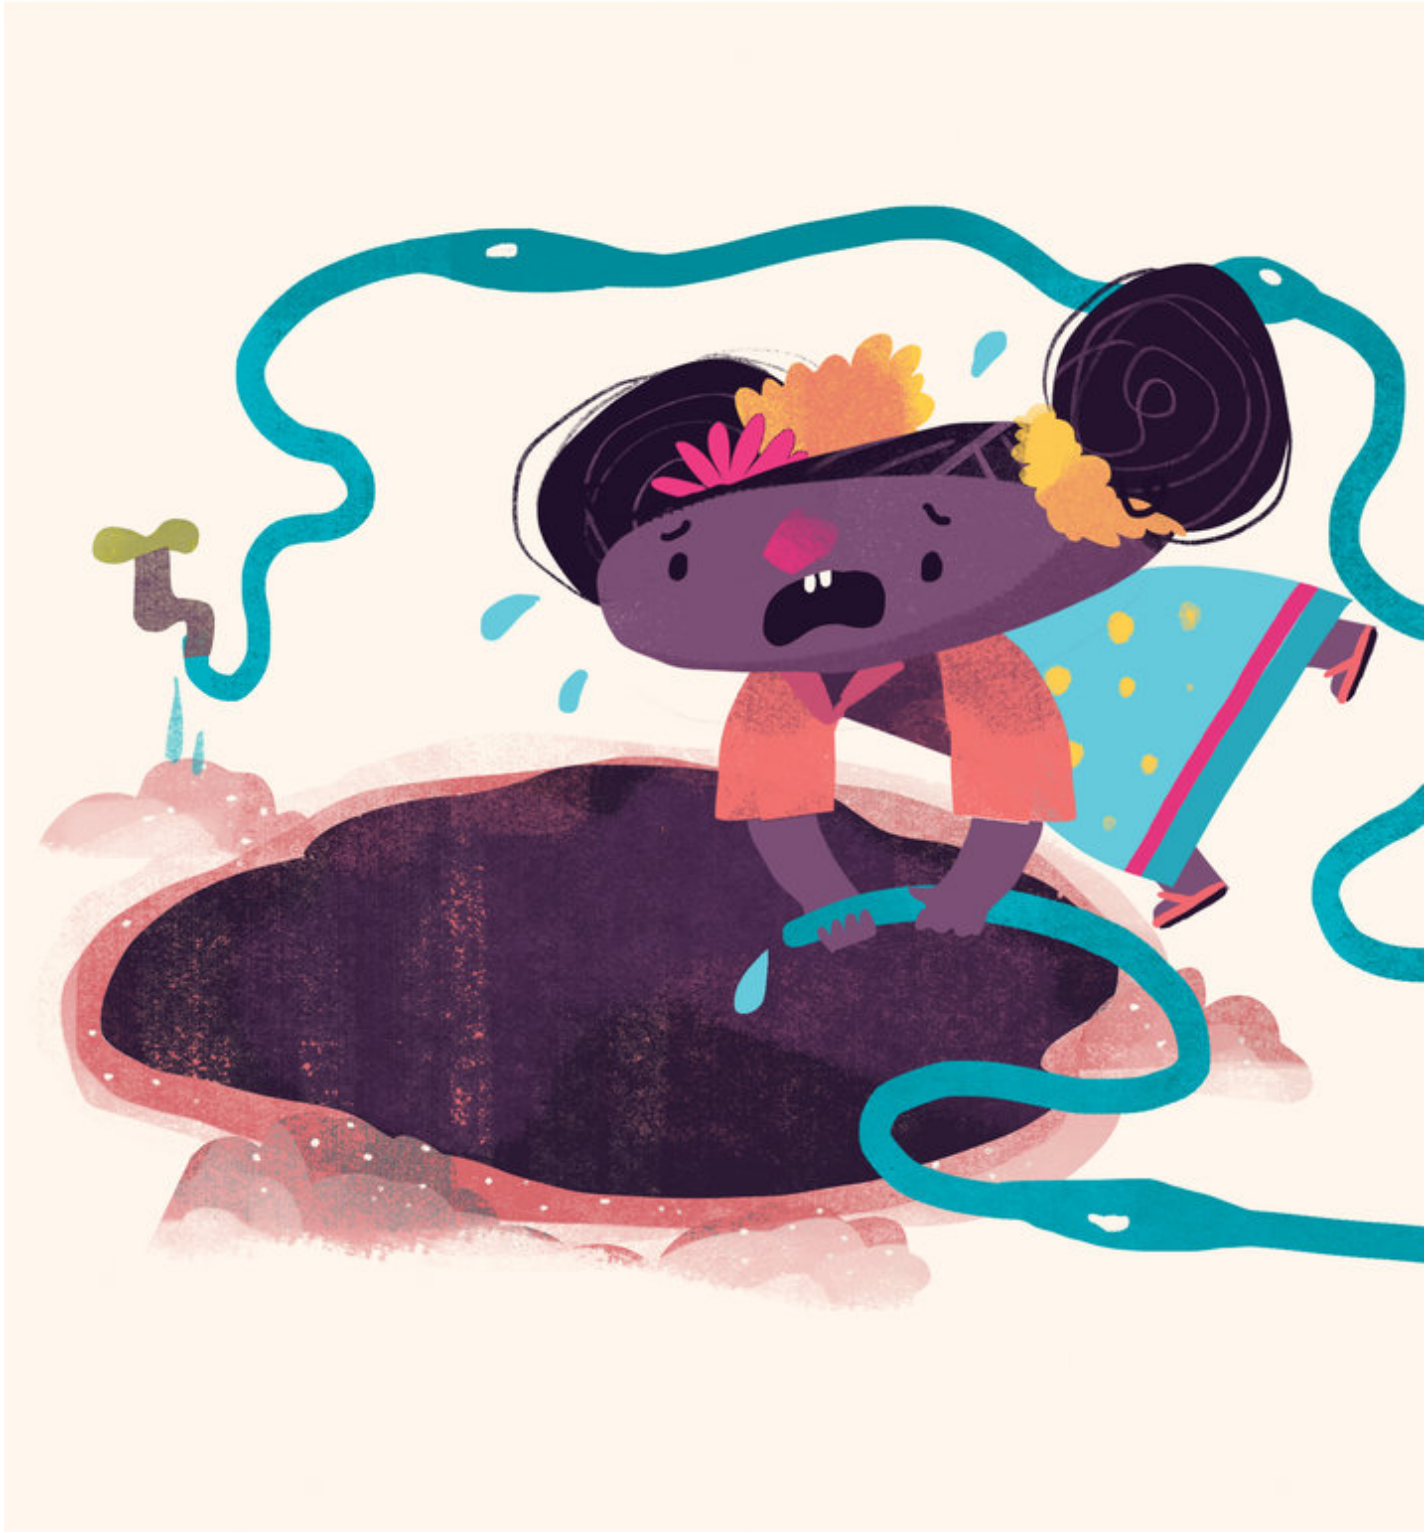
Rose se précipita dans le jardin et creusa un trou.

— Tu sais ce dont nous avons besoin pour fabriquer du compost, Rocky ?

— Il nous faut plein d'épluchures de légumes et de pelures de fruits. Fini le gaspillage, elles seront réutilisées.

— Il nous faut également beaucoup de papier journal.

— Il nous faut aussi
des feuilles mortes.



— Et de l'eau.

— Oh, mais où sont donc passés tous les déchets ?

— ROCKY !
