

Level 2

À quoi servent les signes de ponctuation ?

Author: Lưu Thị Lương

Illustrator: Vũ Thị Thùy Dung

Translator: Sak Untala

Voici le point d'exclamation, le point,
le point d'interrogation et la virgule.

Ce sont des signes de ponctuation.
Ils doivent servir à quelque chose, mais ils ne savent pas très bien à quoi.

Les lettres et les mots défilent à toute vitesse devant eux en essayant de former des phrases.

Où doivent se placer les signes de ponctuation ? Que doivent-ils faire ?

— Moi, je sais où est ma place, indique Point. Je suis toujours en fin de phrase.

— Mais non, voyons,
c'est *moi* qui suis
toujours en fin de
phrase, rétorque Point
d'interrogation.

— N'importe quoi,
s'exclame Point
d'exclamation. C'est
moi qui suis toujours
en fin de phrase !

Les signes de ponctuation ne parviennent pas à se mettre d'accord.
Pendant ce temps, les lettres et les mots continuent à se bousculer.

— Que faire ?
interroge Virgule.

Virgule s'interpose entre les signes de ponctuation qui se chamaillent et tente de les séparer.

— Il y a de la place pour chacun d'entre-nous parmi les lettres et les mots, explique Virgule. Regardez.

— Tu as raison, Virgule, répondent les signes de ponctuation. Arrêtons de nous disputer. Montre-nous ce qu'il faut faire.

Virgule montre aux autres signes de ponctuation comment elle procède. Elle commence par faire une liste numérotée de tous les mots, puis elle se place entre eux pour les séparer. Cela rend la liste plus facile à lire.

Que vois-tu dans la liste de Virgule ?

Virgule sait où elle doit se placer.

Mais est-ce que Point d'interrogation, Point d'exclamation et Point savent dans quel type de phrase ils doivent apparaître, eux ?

Le **point** se place à la fin d'une phrase déclarative, comme celle-ci.

L **e point d'exclamation** est utilisé pour exprimer des émotions, telles que le bonheur, la colère ou bien l'excitation !

Sais-tu quel type de phrase
se termine par un
point d'interrogation
?

Rappel : Le mot qui suit le point d'interrogation, le point d'exclamation ou le point commence toujours par une majuscule, car il représente le début d'une nouvelle phrase.

Tout à leur conversation, les signes de ponctuation se souvinrent tout à coup que les lettres et les mots continuaient à défiler sous leurs yeux, dans la confusion la plus totale.

— Nous avons un travail essentiel à réaliser, dirent-ils. Regardez comme les lettres et les mots sont perdus sans nous !

Les signes de ponctuation savent à quoi ils servent, maintenant.
